If you are looking for something like this, then this game is probably for you Project X Love Potion Disaster Unlock Full Game AlreadyOtherwise, its not easy to enjoy, even though its a full game already.. ProjectX: Love Potion Disaster is a hentai game based on the world and characters of Sonic the Hedgehog, pretty much a fanart game.

It doesnt play like any Sonic game at all, and the porn scenes are weird in every possible way.. The gameplay is not what one would expect from an eroge game There are many Sonic characters in this game, and with the pheromone around they all have sex all the time.. Even though the sound effects arent great, the music covers up a bit. While working on this they accidentally use too much of Akaris pheromone The secret lab rumbles with the chaos Eggman is bringing to the city, and the project accidentally expels this mutated love potion all over the world.

Its certainly not as fast as youd expect from a game inspired and based on Sonic the Hedgehog.. Some things feel like they are still in development, and it even received further development after release for some years.. The art of the characters is really spot on, and they captured the Sonic style But the animations are really odd, and they dont look fluid or natural..
